“He is!”

**He was, He is, and He will continue to be!
He did, He is doing, and He will continue to do!
He will do what He said He would do
He will do what He said He would do
For you, For me, For us, Just trust!**

**Stay confident, stay assured Why?
Because He is your Father, Your Protector, Your Provider, Your Director
He will do what He said He would do!
He will do what He said He would do! Have faith!**

**And if you can't lean on your own, Lean on His
Because He is ever faithful, Unfailing
He will do what he said he would do**

**And on that Day of completion, Recognition will come
What will make sense won't make cents because it's priceless!
He gave His life for this very day to come to past! At Last!**

**The beginning of a New Day, New Life, and a New Way
A New a World with Jesus Christ as our only Sun
He is the One
So stay confident
Stay assured
Don't get lost in it
Get prepared**
