Great Flood Begins

The rains began to fall on the **17th of Cheshvan** of the year 1656 from creation (2105), flooding the earth and rising above the highest mountains. Only Noah and his family survived, in the ark built to that end by Divine command, and a pair of each animal species, who entered with him into the ark. The following is a chronology of the Flood, as indicated by the dates and time periods given in the Torah

Cheshvan 17: Noah enters ark; rains begin.

The Lord has exercised his wrath historically on 2 different dates : **The 9th of AV** (Summer) when both Temples were destroyed on this day and WW1 began; secondly on the 17th day of Cheshvan (Fall) when Noah's flood began and according to the extra canonical book of Jubilees also that same day Eve sinned and death came to man. Here is an excerpt from **Jubilees 3:17**. ² And after the completion of the seven years, which he had completed there, seven years exactly, and in the **second month, on the seventeenth day (of the month)**, the serpent came and approached the woman, and the serpent said to the woman, "Hath God commanded you, saying, Ye shall not eat of every tree of the garden?" 18. **This year 17 Cheshvan falls on October 28**
