

Earth A Date with Destiny

God gave me a word to give: The Lord says I know I am the Savior already. You confessing that you believe I am the Savior is known throughout the universe. You believe I died on the cross is a fact; the whole universe knows this. The confession I want is you to not only believe but to make me Lord. Can my Word control your heart, conduct and life style? Unless this is true you have religion; Religion does not Save. Savior and Lord brings Salvation.
